

Prof. Dr. R D Joshi Appointed the President of MBUST

The University is pleased to announce the reappointment of **Professor Dr. Rajendra Dhoj Joshi** as the **President of Madan Bhandari University of Science and Technology** effective July 27, 2026. The 40th meeting of the **Board of Trustee** decided to reappoint Dr. Joshi in the position of the President of this university.

Professor Joshi is a distinguished academic, researcher, and higher education leader with extensive experience in university governance, research, innovation, and institutional development. Throughout his career, Professor Joshi has made significant contributions to advancing academic excellence, promoting interdisciplinary research, strengthening national and international collaborations, and fostering innovation for sustainable development.

The appointment marks an important milestone in the University's continuing commitment to excellence in education, research, and innovation. Under Professor Joshi's leadership, the University looks forward to further strengthening its academic programs, expanding research initiatives, enhancing partnerships with industry and international institutions, and contributing to national development through knowledge creation and technological innovation.

On behalf of the University community, we extend our warmest congratulations to Prof. Joshi and wish him every success in leading the University toward achieving its vision of becoming a world-class institution of higher learning and research.

We invite all members of the University community and our stakeholders to join us in welcoming Prof. Joshi and extending their best wishes for a successful tenure.

Madan Bhandari University of Science and Technology
