NOTICE

Spot Counselling, Interaction & Application Submission

Bachelor of Science in Computer Science and Technology (BSc CST)

November 2026 Intake

Madan Bhandari University of Science and Technology (MBUST) invites aspiring students to a special Spot Counselling and Interaction Session to explore the BSc CST program and learn about admission opportunities for the November 2026 intake.

Why BSc CST at MBUST?

The BSc CST program provides a strong foundation in **Computer Science, Information Technology, Emerging Digital Technologies, Innovation and Research**, with opportunities to explore contemporary and high-demand areas including:

- Artificial Intelligence (AI)
- Data Science
- Internet of Things (IoT)
- Photonics
- Cyber Security
- Emerging Digital Technologies
- Research, Innovation and Entrepreneurship

Who Can Attend?

Students with the following qualifications are welcome to participate:

- +2 Science
- A-Level
- Diploma in Engineering

Spot Counselling & Interaction Session

Date: September 23, 2026

Time: 11:00 AM to 2:00 PM

Venue: National Society for Earthquake Technology (NSET) Building, Bhainsepati, Lalitpur
(Adjacent to Nepal Telecom Building)

Prospective students and parents will have the opportunity to:

- Interact directly with **MBUST University representatives and faculty members**
- Learn about the **BSc CST curriculum and specialization areas**
- Understand the **admission eligibility and application process**
- Explore opportunities in **AI, Data Science, IoT, Photonics, Cyber Security and emerging technologies**
- Learn about **research, innovation, projects, internships and future career pathways**
- Get answers to questions regarding the program and university

Explore the MBUST Academic Pathway

MBUST offers a research-oriented academic environment extending from undergraduate to doctoral level, including:

BSc CST, Master's in AI / Data Science, PhD in AI / Data Science

Located in **Chitlang**, MBUST is committed to developing technology professionals, researchers and innovators through interdisciplinary education and research.

ADMISSION OPEN – NOVEMBER 2026 INTAKE

Come. Interact. Explore. Innovate.

Visit us on September 23, 2026 at NSET Building, Bhainsepati, from 11:00 AM to 2:00 PM.
