

**MADAN BHANDARI
UNIVERSITY OF
SCIENCE AND TECHNOLOGY**

**Digital Technology
Program**

LEARN | RESEARCH | INNOVATE

WEBINAR FOR PROSPECTIVE STUDENTS

Your Future in Digital Technology

**Discover what you could study,
build and become at MBUST**

AI • Data Science • Photonics • Intelligent Systems

KEYNOTE SPEAKER

Prof. Chang-Hee Lee, Ph.D.
IEEE Fellow

What you'll explore

How digital technology evolved

Nepal's innovations and future opportunities

Lessons from a career in photonics

Study paths, careers and research at MBUST

Who should join?

Prospective undergraduate and postgraduate students

+2 Science • A-level • Engineering diploma

Undergraduate students • Research scholars

30 October 2026

6:00 PM Nepal Time

40-minute talk + 15-minute Q&A
